

Topic	Reviewer	Findings/Conclusions
Home page was blank after viewing about page	Antonio	Fixed prior to FTR
Sign up button did not seem to have any functionality	Bryan	Error on reviewer's end
A lack of documentation on code comments	Dr. Crabtree	Bryan will be continuing to work on this

Summary:

Our group felt that we were on top of most if not all the problems that we could find, leading to a short FTR. The issues that were brought up had either already been fixed, or will be fixed in the near future.
